

FEBRUARY 2020

THE ENLIGHTEN
FOUNDATION

The Enlighten Foundation is a Christian humanitarian organization dedicated to educating and empowering women worldwide through programming that includes personal growth, community service and global missions.

Save the Date: April 26, 2020
Join other Christian women as we come together to pray for the health and well-being of our children.

The constant pressure to succeed. School shootings, lockdowns and drills. Social media connecting to everyone and everything, good and bad, at the touch of a button. Today's world can be a scary place, especially for our children. And many of them live in a constant state of fear and anxiety.

As mothers, we live in fear too – fear for our families, fear for our children. But as Christian women, we also understand the strength and power of prayer. Our Women's Gathering will empower each of us as we lift our children in prayer before the Lord.

Discussion and speakers will focus on the issues facing our children, the power of prayer, the power of Christian women joining together and walking alongside each other, and more. Resources will also be available for additional information on topics that impact our families and children.

Enlighten Learning Center Update: Zimbabwe

Our Enlighten Learning Center in Zimbabwe is busier than ever. Our Project Sparkle Early Learning Program recently held its first graduation, with members of the local government attending the ceremony. The program is so popular there's a waiting list to get in. Church members are volunteering in the classroom, helping out our talented teacher, Miss Brenda. We are grateful for her compassion, knowledge and continued hard work in the classroom, and are looking forward to another successful school year!

Journey Program Launched on EnlightenFoundation.org

Our Journey program is now available for online purchase! For those who may not know, The Journey is a personal roadmap to faith, purpose and service. It's a multi-level curriculum that enables women to live our true identity and seek our individual and collective purpose under God. Using Christ as a compass, each level builds on tools and techniques to guide participants toward a path of transformation.

Visit [The Journey](#) on our website to learn more. Then, gather a group of friends through The Enlighten Foundation or your church, bible study or other ministry group, and register for this amazing, life changing program!
