## Enlighten Learning Center Update

Due to the global pandemic, our Enlighten Learning Centers are struggling. But once again, your generosity has made a world of difference. We are grateful to those of you who participated in our recent School Supply Drive. Your donations enabled us to provide young students with the learning tools and resources they need to prepare for the school year.

Thank you to all who donated. Your gifts are already making a difference around the world:

- 40 students on the Rosebud Reservation in South Dakota now have all the supplies they need to attend school from their homes.
- Families in two Armenian villages now have enough food for their children, who will be studying at home with lessons provided by our Enlighten Learning Center kindergarten teacher.
- On October 1, in-person learning will begin in our Enlighten Learning Center in Harare, Zimbabwe.

## LET US PRAY FOR YOU.

Our Prayer Walkers recently resumed their weekly meetings. Please contact us so we can pray for you.
